Perkomatic Concealed Door Closer - Polished Chrome

Variant code: R85.PC

Perkomatic Concealed Door Closer - Polished Chrome | Discreet & Powerful Door Control

Introducing the Perkomatic Concealed Door Closer in a stunning Polished Chrome finish, the ultimate solution for a modern, minimalist aesthetic without compromising on performance. This high-quality, fully automatic door closer is engineered to be completely hidden from view when the door is closed, providing a sleek, uncluttered look that is perfect for contemporary homes, offices, and commercial spaces.

Key Features & Benefits:

- **Invisible & Discreet:** Unlike bulky surface-mounted door closers, the Perkomatic is morticed into the door and frame, making it virtually invisible. This allows you to maintain clean lines and an elegant appearance throughout your property, enhancing the overall design.
- **Polished Chrome Finish:** The included Polished Chrome faceplate offers a brilliant, mirror-like shine that adds a touch of sophistication and luxury to any interior. This popular finish complements a wide range of door hardware and décor styles, from modern and chic to classic and refined.
- **Automatic & Smooth Closing Action:** Experience the convenience of a door that closes itself gently and reliably every time. The Perkomatic ensures smooth, controlled closing, preventing doors from slamming shut and reducing wear and tear on both the door and the frame. This quiet operation is ideal for residential settings where peace and quiet are a priority.
- **High-Quality & Durable Construction:** Manufactured from premium, robust materials, this door closer is built to last. The patented mechanism is designed for long-term, reliable performance, making it

a dependable choice for high-traffic areas. You can trust the Perkomatic to provide years of effortless operation.

- **Versatile Application:** Suitable for a wide variety of internal doors, this closer is perfect for fire doors, office doors, bathroom doors, and more. It can be installed on both left-hand and right-hand opening doors, offering flexibility for any project.

- **Easy to Install:** The Perkomatic comes with a clear, detailed installation guide, making fitting straightforward for a competent DIYer or a professional tradesperson. All necessary screws and fittings are included for a hassle-free setup.

- **Safety & Security:** By ensuring doors close fully, the Perkomatic enhances fire safety and security. It helps to maintain a secure environment by preventing doors from being left ajar, which is crucial for both residential and commercial applications.
