

PORTMAN Pocket Door Set to suit Door Leaf – 2100mm x 626–926mm x 44mm – Architrave free kit

Variant code: P7300.SDE

PORTMAN Pocket Door Set: Seamless Space-Saving for Modern Interiors (Architrave-Free)

Transform your living or working space with the ultimate in modern design and functionality – the PORTMAN Pocket Door Set. Engineered for seamless integration and unparalleled space optimisation, this premium architrave-free kit is the perfect solution for doors measuring 2100mm (height) x 626–926mm (width) x 44mm (thickness). Say goodbye to obtrusive swinging doors and embrace a sleek, minimalist aesthetic.

Key Features & Benefits:

- **Effortless Space-Saving:** Reclaim valuable floor and wall space that traditional hinged doors monopolize. Ideal for compact apartments, en-suites, utility rooms, walk-in wardrobes, or any area where maximizing usable space is paramount.
- **Architrave-Free Design for a Modern Aesthetic:** Achieve a truly flush, contemporary finish. This innovative kit eliminates the need for unsightly architraves, creating clean lines and a sophisticated, minimalist look that seamlessly blends with any décor.
- **Smooth, Silent Operation:** Experience superior performance with high-quality, precision-engineered components. The robust running gear ensures exceptionally smooth, quiet, and reliable door movement, gliding effortlessly into and out of the wall cavity.
- **Robust & Durable Construction:** Built to last, the PORTMAN Pocket Door Set features a sturdy frame designed for long-term durability and stability. Invest in a

solution that offers years of trouble-free operation.

- **Versatile Door Compatibility:** This kit is specifically designed to accommodate standard door leaves measuring 2100mm in height, 626mm to 926mm in width, and 44mm in thickness, offering flexibility for various door styles and materials.
- **Easy Installation (Professional Recommended):** While designed for straightforward assembly, professional installation is recommended to ensure optimal performance and a flawless finish. Comprehensive instructions are included for a smooth fitting process.
- **Enhanced Accessibility:** Pocket doors improve accessibility, making movement easier for individuals with mobility challenges or those using wheelchairs, as there are no swinging doors to navigate around.
- **Increased Property Value:** Modern, space-saving solutions like pocket doors are highly sought after by homebuyers, potentially increasing the appeal and value of your property.

Why Choose the PORTMAN Pocket Door Set?

The PORTMAN Pocket Door Set stands out for its commitment to quality, design, and functionality. It's not just a door mechanism; it's an intelligent architectural solution that enhances the flow and usability of your interior spaces. Whether you're undertaking a new build, a renovation, or simply looking to modernise your home, this architrave-free kit provides the perfect blend of style and practicality.

Perfect for:

- **Residential Homes:** Kitchens, bathrooms, bedrooms, studies, utility rooms.
- **Commercial Spaces:** Offices, clinics, hotels, retail environments.
- **Renovation Projects:** Upgrade existing doorways with a modern, space-saving alternative.

- **New Builds:** Incorporate contemporary design and functionality from the ground up.
