

PORTMAN Pocket Door Set to suit Door Leaf 2700mm x 927-1300mm x 44mm – Architrave free kit

Variant code: P7000 TDE

Revolutionise Your Space with the PORTMAN Architrave-Free Pocket Door Set (2700mm x 927-1300mm x 44mm)

Unleash the full potential of your interiors with the cutting-edge PORTMAN Architrave-Free Pocket Door Set, meticulously designed for door leaves measuring an impressive 2700mm in height and a versatile 927mm to 1300mm in width, with a standard 44mm thickness. This premium pocket door system is the ultimate space-saving solution, transforming any room into a more expansive, fluid, and modern environment.

Experience Seamless Integration and Contemporary Design:

Say goodbye to traditional hinged doors and bulky architraves. The PORTMAN Architrave-Free kit offers a **truly flush finish**, allowing your door to disappear effortlessly into the wall, creating a sleek, minimalist aesthetic that complements any contemporary or modern design scheme. This **frameless pocket door** design enhances clean lines and maximises visual flow, making it ideal for open-plan living, en-suites, utility rooms, or anywhere you desire a sophisticated and unobstructed transition.

Optimise Your Floor Plan and Maximise Usable Space:

Every inch counts! By eliminating the need for a door swing, our **space-saving pocket door kit** instantly frees up valuable floor and wall space that would otherwise be unusable. This makes it perfect for compact rooms, hallways, or areas where furniture placement is critical. Imagine the possibilities: more room for shelving, artwork, or simply a greater sense of openness.

Superior Quality and Effortless Operation:

Crafted with **durability and longevity** in mind, the

PORTMAN Pocket Door Set boasts a robust and reliable construction. The high-performance running gear ensures **smooth, quiet, and effortless operation** every time. Engineered for daily use, this system provides years of trouble-free functionality, a testament to its **premium quality** and design.

Key Features and Benefits:

- **Door Leaf Compatibility:** Perfectly suits door leaves 2700mm (H) x 927mm – 1300mm (W) x 44mm (D). (Please note: Door leaf not included)
- **Architrave-Free Design:** Achieves a completely flush, minimalist finish for a contemporary aesthetic.
- **Space Optimisation:** Recaptures valuable floor and wall space, enhancing room functionality.
- **Smooth & Quiet Operation:** High-quality running gear ensures effortless and silent movement.
- **Robust Construction:** Built for durability and long-lasting performance.
- **Easy Installation:** Designed for straightforward and efficient fitting (professional installation recommended for optimal results).
- **Versatile Application:** Ideal for residential and commercial projects, modern renovations, and new builds.
- **Enhanced Accessibility:** Provides wider clear openings, improving accessibility in your space.
- **Acoustic Benefits:** When combined with a solid core door, pocket doors can offer improved sound insulation.

Invest in the future of your interior design with the PORTMAN Architrave-Free Pocket Door Set. This innovative solution offers unparalleled style, space efficiency, and functionality, making it the smart choice for discerning homeowners and developers alike. Transform your living environment today!
