

Premium Ball Race Hinges – 1510 – 76.2 x 50mm – Aged Brass

Variant code: 1510.AGD

Beyond function, a statement. Our Premium Ball Race Hinges in Aged Brass: where enduring quality meets sophisticated design.

These meticulously crafted **ball race hinges** (also known as **ball bearing hinges**) offer superior performance and longevity compared to standard hinges.¹ The integrated **ball bearing mechanism** ensures exceptionally **smooth and quiet door operation**, minimising friction and preventing squeaking, even on heavier doors. This makes them ideal for high-traffic areas and ensures a premium feel every time the door is opened or closed.

The specified dimensions of **76.2 x 50mm** (approximately 3 x 2 inches) make these hinges a versatile choice for a wide range of internal and external doors. The robust construction guarantees reliable support and stability for years to come.

The elegant **aged brass** finish adds a touch of timeless character and sophistication to any door. This attractive and durable finish complements both traditional and contemporary interior design styles, providing a subtle yet impactful upgrade to your door hardware. The **antique brass** appearance offers a warm, classic look that will enhance the overall aesthetic of your space.

Key Features:

- **Premium Ball Race (Ball Bearing) Mechanism:** Ensures exceptionally smooth, quiet, and effortless door movement.
- **Durable Construction:** Built to last, providing reliable support for internal and external doors.
