

## Premium Solid Brass Counter Flap Dovetail Hinge 38.1mm x 114mm c/w Screws – Self Brass

Variant code: 0520.SC

### Premium Solid Brass Counter Flap Dovetail Hinge 38.1mm x 114mm c/w Screws – Self Brass

Advance your furniture and cabinetry with the enduring beauty and superior strength of our **Premium Solid Brass Counter Flap Dovetail Hinge**. Crafted from authentic, unlacquered solid brass, this meticulously engineered hinge offers unparalleled durability and a timeless aesthetic that will only improve with age, developing a rich, natural patina.

**Designed for discerning craftsmen and homeowners alike**, this 38.1mm x 114mm (1.5" x 4.5") counter flap dovetail hinge is the perfect solution for creating seamless, flush-fitting table leaves, desk extensions, or hidden compartments. Its innovative dovetail design ensures exceptional stability and load-bearing capacity, preventing sagging and ensuring a smooth, reliable operation every time.

#### Key Features & Benefits:

- **Genuine Solid Brass Construction:** Experience the difference of premium, unlacquered brass. This hinge is built to last a lifetime, resisting corrosion and offering superior strength compared to plated alternatives.
- **Elegant Self Brass Finish:** The natural, untreated brass surface allows for a beautiful, authentic patina to develop over time, adding character and warmth to your projects.
- **Optimal Dimensions (38.1mm x 114mm / 1.5" x 4.5"):** Perfectly sized for a wide range of counter flaps, table leaves, and other flush-fitting applications.
- **Dovetail Design for Superior Stability:** The unique dovetail joint provides

exceptional support and prevents movement, ensuring a secure and reliable connection.

- **Smooth & Reliable Operation:** Engineered for precision, these hinges offer effortless opening and closing, maintaining their integrity even with frequent use.
- **Complete with Matching Screws:** For your convenience, this hinge set includes high-quality, self-brass screws, ensuring a cohesive and professional finish.
- **Versatile Application:** Ideal for custom furniture, antique restoration, kitchen islands, dining tables, workbenches, and various other woodworking projects.
- **Enhances Resale Value:** The timeless appeal and inherent quality of solid brass hardware contribute to the overall value and sophistication of your furniture.

**Invest in quality that lasts. Our Premium Solid Brass Counter Flap Dovetail Hinge is more than just a functional component; it's a statement of enduring craftsmanship and classic design.**
