

Premium Solid Drawn Brass Butt Hinge – 50.8 x 38mm – c/w Urn Finials – Polished Brass Unlacquered

Variant code: 0305.URN.PBUL

Premium Solid Drawn Brass Butt Hinge – 50.8 x 38mm – c/w Urn Finials – Polished Brass Unlacquered

Revolutionise your cabinetry and fine furniture with our exquisite Premium Solid Drawn Brass Butt Hinge. Meticulously crafted from high-grade solid drawn brass, this 50.8 x 38mm hinge offers unparalleled durability, a luxurious aesthetic, and a lifetime of reliable performance. Designed for discerning homeowners, antique restorers, and bespoke furniture makers, this hinge is the perfect choice for projects demanding both authentic period charm and superior engineering.

Unlacquered for Timeless Beauty: Unlike lacquered brass hinges that can chip or discolour over time, our hinges are supplied **polished brass unlacquered**. This allows the brass to naturally oxidise and develop a rich, unique patina that enhances its antique appeal. For those who prefer a brighter finish, the hinge can be easily repolished to its original gleam. This living finish ensures your hardware will age gracefully with your home, becoming more beautiful over time.

Elegant Urn Finials: Each hinge is supplied **complete with classic urn finials**, adding a sophisticated touch that complements traditional and contemporary interiors alike. These decorative finials are not just aesthetically pleasing; they are precisely manufactured to ensure a secure fit, further enhancing the hinge's premium feel.

Solid Drawn Brass Construction: The Mark of Quality: Our hinges are manufactured using the solid drawn brass method, a superior technique that creates a denser, stronger, and more consistent product compared to cast brass. This results in a hinge with exceptional resistance to wear and tear, ensuring smooth and silent operation for years to come. Ideal for high-traffic areas or heavy cabinet doors, these hinges are built to last.

Versatile and Reliable: Measuring 50.8mm (2 inches) in height and 38mm (1.5 inches) in width, this butt hinge is a versatile size suitable for a wide range of applications, including:

- **Cabinet doors:** Kitchen cabinets, bathroom vanities, display cabinets
- **Period furniture:** Restoration of antique desks, chests, and wardrobes
- **Small internal doors:** Lightweight pantry doors, cloakroom doors
- **Bespoke joinery projects:** Custom-built furniture and architectural features

Key Features & Benefits:

- **Premium Solid Drawn Brass:** Superior strength, density, and durability compared to cast brass.
- **Polished Brass Unlacquered:** Develops a beautiful, authentic patina over time; easily repolishable.
- **Includes Urn Finials:** Adds an elegant, traditional touch.
- **Optimal Size (50.8 x 38mm):** Versatile for a wide range of furniture and cabinetry.
- **Smooth & Silent Operation:** Engineered for precision and longevity.
- **Corrosion Resistant:** Ideal for various indoor environments.
- **Authentic Period Look:** Perfect for restoration or creating a classic aesthetic.
- **Easy Installation:** Designed for straightforward fitting (screws not included).

Invest in quality that stands the test of time. Our Premium Solid Drawn Brass Butt Hinge is more than just a functional component; it's an investment in enduring beauty and craftsmanship.
