

Premium Solid Drawn Brass Butt Hinge – 75 x 35.3mm – UK 512 Polished Brass (Lacquered)

Variant code: 0965.PB

The **Premium Solid Drawn Brass Butt Hinge** is a traditionally styled architectural hinge designed for **cabinets and lightweight flush doors and windows**. Measuring **75 x 35.3mm**, this premium brass hinge combines classic butt hinge styling with compact proportions suitable for quality furniture, cabinetry and lightweight interior joinery.

Finished in an elegant **Polished Brass Lacquered** finish, the hinge provides a bright, highly polished appearance suited to both traditional and contemporary interiors. The protective lacquer helps preserve the polished appearance of the brass and reduces the need for regular polishing, making it an attractive choice where a consistently bright decorative finish is preferred.

Its traditional butt hinge format makes it a versatile option for **cabinet doors, wardrobe doors, lightweight flush doors, windows, furniture restoration and bespoke joinery**. Combining quality brass construction with an attractive polished finish, it provides a refined hardware solution for projects where **appearance, traditional detailing and dependable lightweight hinge performance** are important.
