Premium Solid Drawn Brass Butt Hinge 75 x 41.9mm - Honeycombe UK507

Variant code: 0970.HE

The **Premium Solid Drawn Brass Butt Hinge** is a traditionally styled architectural hinge suitable for **cabinets and lightweight flush doors and windows**. Measuring **75 x 41.9mm** and finished in distinctive **Honeycombe**, it provides an attractive hardware solution for furniture, cabinetry and lightweight architectural joinery where both appearance and reliable hinge performance are important.

Designed with a **brass pin**, the hinge has a **10kg load capacity**, **6mm knuckle diameter** and **2mm material thickness**. These carefully proportioned dimensions make it suitable for appropriate lightweight applications, while its traditional butt hinge configuration provides a classic appearance for quality furniture and interior woodwork.

The distinctive **Honeycombe finish** provides a characterful decorative appearance that can complement traditional, period-inspired and bespoke interior schemes. Suitable for **right- and left-hand applications**, the hinge is also backed by a **10-year performance guarantee**, providing additional confidence when specified for suitable cabinetry, lightweight doors and windows.

Product Features

- **Premium brass butt hinge** for furniture and lightweight architectural joinery
- Suitable for **cabinets and lightweight flush doors and windows**
