

Premium Solid Drawn Brass Butt Hinge inc Screws 75 x 51.2mm – Satin Nickel

Variant code: 1010.SNP

The **Premium Solid Drawn Brass Butt Hinge** is a quality architectural hinge designed for **cabinets and lightweight flush doors and windows**. Measuring **75 x 51.2mm** and finished in elegant **Satin Nickel**, it offers a refined hardware solution for furniture, cabinetry and lightweight interior joinery where dependable performance and an attractive contemporary finish are required.

Featuring a **brass pin**, the hinge has a manufacturer-specified **20kg load capacity**, together with a substantial **2.9mm material thickness** and **7.8mm knuckle diameter**. These proportions make it suitable for appropriate lightweight door, window and cabinet applications while retaining the familiar appearance and functionality of a traditional butt hinge.

The **Satin Nickel finish** provides a clean, understated metallic appearance that works particularly well with contemporary cabinetry, furniture and interior hardware. Suitable for **right- and left-hand applications**, the hinge is also backed by a **10-year performance guarantee**, providing additional confidence when specified for suitable furniture and lightweight architectural joinery.

Product Features

- **Premium brass butt hinge** for furniture and lightweight architectural joinery
- Suitable for **cabinets and lightweight flush doors and windows**
- Overall dimensions of **75 x 51.2mm**
- Elegant **Satin Nickel finish**
