

Premium Solid Drawn Brass Butt Hinge inc Screws 75 x 50mm – Satin Nickel

Variant code: 1010.SNP

Premium Solid Drawn Brass Butt Hinge (75 x 50mm) with Screws, the ultimate choice for professionals and discerning DIYers who demand uncompromising quality and lasting beauty. This is more than just a hinge; it's a testament to superior craftsmanship and enduring performance.

Unrivalled Quality & Construction

Our butt hinge is meticulously crafted from a single, solid piece of brass. Unlike cheaper, plated alternatives, this hinge is a genuine article, ensuring a consistent, vibrant finish that will never chip, flake, or corrode. The "drawn" process creates a dense, strong, and highly durable product, perfect for a lifetime of heavy use.

- **Solid Brass:** For unparalleled durability, corrosion resistance, and a luxurious feel.
- **Precision Machined:** Engineered for a smooth, silent, and effortless swing, eliminating the creaks and groans of inferior hinges.
- **Heavy-Duty:** Built to handle the weight of substantial doors and cabinets, providing unwavering support.

Designed for the Professional

Joiners, carpenters, and professional fitters will appreciate the precision and reliability of this hinge. The consistent sizing and perfect alignment make installation a breeze, saving valuable time on the job. The included, perfectly matched screws ensure a secure and aesthetically pleasing finish, right out of the box.

- **Consistent Dimensions:** Guarantees a perfect fit every time, reducing installation headaches.
- **Supplied with Screws:** Eliminates the need to source separate, matching hardware, ensuring a seamless and professional finish.
- **Ready for Any Project:** Ideal for kitchen and cabinet doors, interior doors, furniture, and bespoke joinery.

The Perfect DIY Upgrade

For the productive DIYer, this hinge is an investment in your home's quality. Upgrade your doors and furniture with a product that not only looks stunning but is built to last. The easy-to-install design, coupled with the included screws, makes this the perfect weekend project to elevate the look and feel of any room.

- **Easy Installation:** Straightforward for anyone to fit, from novice to expert.
- **Stunning Finish:** The polished brass adds a touch of classic elegance to any interior.
- **Long-Term Value:** A durable product that won't need replacing, saving you time and money in the long run.
