Revolutionise your doors with our premium Satin Brass Pull Handle, a perfect blend of timeless elegance and robust functionality. Crafted for discerning homeowners and design professionals, this stunning handle offers a sophisticated touch to any interior or exterior, promising durability and a beautiful, lasting finish.

Key Features & Benefits:

- Exceptional Quality & Finish:** Experience the enduring appeal of genuine satin brass. Our pull handle boasts a meticulously brushed finish that exudes warmth and understated luxury, complementing a wide range of décor styles from traditional to contemporary. The satin brass finish is not only visually appealing but also offers a degree of resistance to fingerprints and smudges, maintaining its pristine look with minimal effort.
- Optimal Dimensions for Versatility:** With an overall length of **353mm (13.9 inches)** and a comfortable centre-to-centre fixing of **305mm (12 inches)**, this handle is ideally sized for various applications. It provides a substantial and ergonomic grip, making it perfect for main entrance doors, large cabinet doors, wardrobe doors, sliding doors, and even commercial applications where a statement piece is desired.
- Secure & Durable Bolt-Through Fixing:** Engineered for maximum security and longevity, this pull handle features a **bolt-through fixing mechanism**. This superior installation method ensures a robust and stable attachment, preventing loosening

over time and providing exceptional pulling strength. All necessary bolt-through fixings are included for a straightforward and secure installation.

- **Solid Brass Construction:** Manufactured from high-quality solid brass, this handle is designed to withstand the rigours of daily use. Solid brass is renowned for its strength, corrosion resistance, and ability to age gracefully, developing a unique patina over time that adds to its character.
- **Versatile Application:** Whether you're upgrading your kitchen, revamping a bedroom, or adding a touch of class to your commercial space, this satin brass pull handle is the ideal choice. Its classic design ensures it seamlessly integrates into both modern and classic interiors.
- **Easy Maintenance:** The satin brass finish is relatively easy to maintain. A simple wipe with a soft, damp cloth is usually sufficient to keep it looking its best.

Why Choose Our Satin Brass Pull Handle?

Investing in this satin brass pull handle is an investment in both style and durability. Its elegant aesthetic instantly elevates the perceived value of your doors and furniture, while its robust construction guarantees years of reliable performance. Perfect for new builds, renovations, or simply updating your existing hardware, this handle offers an immediate and impactful upgrade.
