Reeded Rectangular Flush Pull 300 x 58mm – Satin Brass

Evolve your interiors with the sophisticated charm of our Reeded Rectangular Flush Pull in luxurious Satin Brass.

Experience seamless elegance and functional design with this premium flush pull handle, meticulously crafted to complement contemporary and classic aesthetics alike. Measuring a generous 300mm in length and 58mm in width, this statement piece provides a comfortable grip and a truly flush finish, ensuring a sleek, uninterrupted surface on your doors, drawers, and cabinetries.

Unleash the timeless appeal of reeded detailing. The exquisite reeded texture offers a distinctive tactile experience and a visually appealing linear pattern, adding a touch of refined sophistication to any furniture or joinery. This elegant detail catches the light beautifully, creating subtle shadows that enhance its luxurious satin brass finish.

Crafted from high-quality solid brass, this flush pull is not just about aesthetics; it's built for enduring performance. The **durable satin brass finish** offers excellent resistance to tarnishing and wear, ensuring long-lasting beauty even with frequent use. Its robust construction guarantees a reliable and smooth operation, making it ideal for high-traffic areas in both residential and commercial settings.

Perfect for a multitude of applications, this versatile flush pull is an excellent choice for sliding doors, pocket doors, bi-fold doors, wardrobe doors, cabinet doors, and even custom furniture pieces. Its recessed design ensures it sits flush with the surface, preventing snagging and maintaining a clean, minimalist look.

Installation is straightforward, allowing for a professional finish with minimal effort. Enhance your living spaces, kitchens, bedrooms, and offices with this exquisite hardware piece that seamlessly blends form and function.
