

Rose to suit inner escutcheon – AB

Variant code: BUR71AB

Premium Antique Brass Inner Rose for Door
Escutcheons – Elegant & Durable Design

Refine your doors with our **Antique Brass (AB) Inner Rose**, the perfect partner for your existing escutcheon plates. Made from **solid brass** and finished with a warm, classic antique brass patina, it's designed to bring both enhanced beauty and lasting functionality to any home or office.

Key Features & Benefits:

- **Perfect Compatibility:** Meticulously engineered to seamlessly integrate with a wide range of standard escutcheon plates, ensuring a flush and professional finish. This inner rose provides the essential support and visual continuity for your door hardware.
- **Premium Antique Brass Finish (AB):** The stunning antique brass finish is not just visually appealing but also highly durable. It offers a warm, aged look that beautifully complements both traditional and transitional interior designs, adding a touch of timeless sophistication.
- **Durable Solid Brass Construction:** Manufactured from robust solid brass, this inner rose is built to last. It resists corrosion, tarnishing, and wear, ensuring long-term performance and maintaining its beautiful appearance for years to come.
- **Enhanced Aesthetics:** Beyond its functional purpose, this inner rose significantly contributes to the overall visual appeal of your door hardware. It provides a refined border for your escutcheon, creating a cohesive and polished look that will impress.
- **Easy Installation:** Designed for straightforward installation, this inner rose can be quickly and securely fitted, making it a convenient upgrade for DIY enthusiasts and professional installers.

alike. (Screws typically sold separately with escutcheon or as part of a complete hardware set).

- **Versatile Application:** Ideal for use on interior doors throughout your home, including bedrooms, bathrooms, living rooms, and offices. It's the perfect finishing touch for new installations or for refreshing existing door hardware.
