Salice Exedra Gravity – Pocket Hinge & Slide System (Right Hand, 1100–1599mm Door Height, Nickel Push)

Transform your living spaces with the innovative **Salice Exedra Gravity Pocket Hinge & Slide System**. This premium, **right-handed** hardware solution is ingeniously designed to allow full-height doors to seamlessly disappear into a cabinet's side, creating a clean, uncluttered aesthetic and maximising usable space. Ideal for **contemporary kitchen designs, bespoke cabinetry, home offices, and media units**, the Exedra Gravity system offers unparalleled functionality and a sleek, minimalist look.

Engineered for doors ranging from 1100mm to 1599mm in height, this robust system ensures smooth, effortless movement. The **gravity-assisted mechanism** provides a fluid, controlled soft-closing action, preventing slamming and ensuring silent operation. The **nickel push-to-open feature** offers handle-less convenience, perfect for modern, streamlined furniture.
