

Salice Pacta Cover Set – Light Grey

Variant code: SRXB78AMXXXNF

The **Salice Pacta Cover Set** in **Light Grey** is a genuine finishing accessory designed specifically for the **Salice Pacta Drop-Down Hinge System**. Providing a clean, professional appearance, the cover set conceals the hinge mechanism to create a refined, hardware-free finish that complements contemporary furniture and cabinetry.

Designed to integrate seamlessly with both **Salice Pacta Soft-Close** and **Push-to-Open** hinge systems, these snap-on covers install quickly without the need for tools once the hinges have been fitted and adjusted. Manufactured from durable **high-grade technopolymer**, they help protect the hinge mechanism from dust and everyday debris while enhancing the overall appearance of the furniture.

Finished in a versatile **Light Grey satin**, the Salice Pacta Cover Set is ideal for modern kitchens, home offices, living room furniture and bespoke cabinetry, delivering the premium finishing detail expected from genuine Salice hardware.
