

Salice Wind Lift System – Cover Set – Satin Metal Black

Variant code: SRXA78AOSNXXF

The **Salice Wind Lift System Cover Set** in **Satin Metal Black** is a genuine finishing accessory designed to complete the appearance of compatible **Salice Wind Lift mechanisms**. Combining contemporary styling with practical protection, this premium cover set conceals the lift mechanism to create a clean, streamlined finish that complements modern kitchens, living spaces, office furniture and bespoke cabinetry.

Manufactured from high-quality materials, the cover set not only enhances the visual appeal of your furniture but also helps protect the lift mechanism from dust, debris and accidental impacts. The elegant **Satin Metal Black** finish provides a refined, understated appearance that coordinates perfectly with contemporary interior styles while resisting the appearance of fingerprints and everyday marks.

Designed specifically for the Salice Wind Lift System, the cover set installs quickly and securely, providing a professional finishing touch that enhances both the appearance and durability of premium lift-up cabinet installations.
