

Simonswerk Tectus KCH1700 – Handle for Glass Door – Set of 2 – Matt Black

Variant code: KCH1700.SW107

Simonswerk Tectus KCH1700 – Handle for Glass Door – Set of 2

This set of two handles is not just a functional component but a statement piece, blending minimalist aesthetics with robust engineering. Designed for professionals and DIY enthusiasts alike, the KCH1700 set delivers a seamless, high-end finish to any space.

Unmatched Quality and Design

Crafted from high-grade materials, the Simonswerk Tectus KCH1700 offers exceptional durability and a luxurious feel. The sleek, modern design seamlessly integrates with contemporary and traditional decors, making it a versatile choice for a wide range of applications. The precision engineering ensures a comfortable and secure grip, while the polished chrome or brushed stainless steel finish provides a sophisticated touch that resists tarnishing and corrosion.

Key Features for the Professional

- **Effortless Installation:** The KCH1700 is designed for a straightforward, non-intrusive installation on glass doors. Its innovative mounting system ensures a secure fit without the need for complex tools or specialised expertise, saving valuable time for joiners, carpenters, and professional installers.
- **Versatile Application:** This handle set is ideal for a variety of projects, including residential homes, commercial offices, retail spaces, and hospitality venues. Its robust construction makes it suitable for high-traffic areas, ensuring long-lasting performance and a low-maintenance solution for your clients.
- **Seamless Integration:** The Tectus KCH1700 is part of the renowned Simonswerk Tectus range, known for its

concealed hinge systems. This allows for a cohesive and unified aesthetic throughout your project, where every detail contributes to a clean, professional finish.

For the DIY Enthusiast

- **Upgrade Your Space:** The KCH1700 is the perfect way to give your interior a professional-grade upgrade. Transform a plain glass door into a focal point with a handle that combines form and function.
- **Simple and Secure:** Don't be intimidated by the installation. Our detailed instructions and user-friendly design make it easy for you to achieve a perfect, professional-looking result.
- **Built to Last:** Invest in quality that endures. The durable construction of the Simonswerk Tectus KCH1700 ensures that your new handle will withstand daily use, maintaining its beauty and functionality for years to come.

Whether you are a seasoned joiner completing a high-end project, a carpenter looking for reliable hardware, or a homeowner embarking on a DIY renovation, the Simonswerk Tectus KCH1700 handle set offers the perfect blend of elegance, durability, and ease of use. Transform your glass doors with a touch of Simonswerk quality and experience the difference.
