Variant code: C3964.101.AT

Square Vintage Cabinet Pull Handle – 120mm Length – CTC 101mm – Antique Brass

Transform your furniture with a touch of timeless elegance.

Bring a touch of **vintage charm** and **traditional sophistication** to your cabinets, drawers, and furniture pieces with our exquisite **Square Vintage Cabinet Pull Handle**. Crafted with meticulous attention to detail, this **high-quality handle** boasts a beautiful **antique brass finish** that evokes the warmth and character of bygone eras.

Authentic Vintage Aesthetic:

Designed to complement both classic and transitional interiors, this **square pull handle** offers a distinctive aesthetic. The rich **antique brass** patina provides a naturally aged look, perfect for **restoration projects, upcycling furniture**, or simply adding a luxurious detail to modern cabinetry. Its robust, solid feel speaks volumes about its enduring quality, making it an ideal choice for **kitchen cabinet handles, bedroom drawer pulls, bathroom vanity handles**, or **furniture hardware upgrades**.

Premium Quality & Durable Construction:

Manufactured from durable materials, this **cabinet handle** is built to last. The **antique brass finish** is not only aesthetically pleasing but also offers excellent resistance to tarnishing and wear, ensuring your handles maintain their beauty for years to come. This makes it a smart investment for any home improvement project, providing both style and longevity.

Perfect Dimensions for Versatile Use:

Measuring a versatile **120mm in overall length**, this **vintage handle** offers a comfortable grip and a substantial presence. The **CTC (Centre to Centre) measurement of 101mm** ensures compatibility with a wide range of existing furniture and drilled holes, making installation a breeze. Whether you're replacing old hardware or installing new, these dimensions make it a highly

adaptable choice.
