

Stepped Cushion Knob Mortise – Covered Rose – DBMA

Variant code: 6348COV57B-DBMA

Experience Refined Entryways with the Distinguished Stepped Cushion Mortise Knob and Covered Rose (DBMA)

Introduce a touch of sophisticated charm and enduring quality to your interior doors with our exquisite **Stepped Cushion Knob Mortise with Covered Rose (DBMA)**. This premium door knob set combines a beautifully detailed **stepped cushion knob** design with the clean lines of a **covered rose**, creating a seamless and refined aesthetic that complements a wide range of interior styles, from traditional and transitional to subtly contemporary.

Crafted with meticulous attention to detail and manufactured to the highest standards, this **mortise door knob set** offers both exceptional style and reliable functionality. The **stepped design** of the knob provides a comfortable and secure grip, while the **cushion profile** adds a touch of visual interest and tactile appeal.

The inclusion of a **covered rose** enhances the overall elegance by concealing the fixing screws, resulting in a clean, uncluttered appearance that exudes quality craftsmanship. This **concealed fix rose** detail not only looks superior but also contributes to a more secure and tamper-proof installation.

Key Features and Benefits:

- **Elegant Stepped Cushion Knob:** A classic and comfortable knob design that adds a touch of sophistication to any door.
- **Stylish Covered Rose:** Provides a clean, seamless finish by concealing fixing screws for a more refined look.
- **Premium Mortise Mechanism:** Ensures reliable and smooth operation for years to come.
- **Durable Construction:** Crafted from high-quality materials for long-lasting performance and durability.
- **Versatile Design:** Perfectly complements various interior design styles.

- **Secure and Tamper-Proof Installation:** The covered rose enhances security and prevents tampering.
- **DBMA Standard:** Meets or exceeds industry standards for quality and performance.
- **Easy to Install:** Designed for straightforward installation on standard interior doors.
- **Enhances Interior Aesthetics:** Adds a touch of timeless elegance and elevates the overall look of your home.
- **Comfortable Grip:** The stepped and cushion profile provides a comfortable and secure feel in hand.

Ideal for:

- Interior doors in residential properties
- Bedroom doors
- Bathroom doors
- Living room doors
- Dining room doors
- Home offices
- Renovation projects seeking a touch of classic elegance
- New construction projects prioritising quality and style

Upgrade your home's interior with the **Stepped Cushion Knob Mortice with Covered Rose (DBMA)** and experience the perfect blend of timeless design, superior craftsmanship, and reliable performance. Invest in quality hardware that will enhance the beauty and functionality of your doors for years to come.
