Variant code: FTD445C.AB

T-Bar Cabinet Pull – Antique Brass

Discover the perfect blend of classic design and modern functionality with our exquisite T-Bar Cabinet Pull in a rich Antique Brass finish. This cabinet handle is more than just a functional piece; it's a statement of style that will transform your kitchen, bathroom, or furniture.

Key Features:

- **Premium Quality Materials:** Crafted from solid brass, this T-Bar pull is built to last. The stunning Antique Brass finish is lacquered for durability, ensuring it resists tarnishing and maintains its beautiful patina for years to come.
- **Optimal Dimensions:**
 - **Diameter (Ø):** 12mm
 - **Centre-to-Centre (c/c):** 160mm (the distance between the two screw holes)
 - **Overall Length (o/a):** 220mm
- **Ergonomic Design:** The sleek and smooth 12mm diameter bar offers a comfortable and secure grip, making it easy to open and close drawers and doors.
- **Versatile Style:** The sophisticated Antique Brass finish complements a wide range of interior styles, from traditional and rustic farmhouse to industrial and modern minimalist. It's a versatile choice for kitchen cabinets, wardrobe doors, dresser drawers, and bathroom vanities.
- **Easy Installation:** Each pull comes with M4 screws for a quick and hassle-free installation. You'll have your new hardware installed in minutes.

Why Choose Our T-Bar Cabinet Pull?

This cabinet pull is meticulously designed to offer both aesthetic appeal and practical use. The warm, inviting tone of the Antique Brass creates a sense of heritage and luxury, adding a touch of vintage charm to any piece of furniture. Whether you're renovating your kitchen, giving a chest of

drawers a new lease on life, or simply upgrading your hardware, this pull is the ideal choice for a high-end finish.
