Timeless Elegance

Introducing our exquisite T-Bar Cabinet Pull in a sophisticated Antique Brass finish, designed to infuse your kitchen, bathroom, or furniture with a touch of classic charm. This high-quality cabinet handle combines robust construction with an elegant aesthetic, making it the perfect choice for both traditional and contemporary interiors seeking a vintage accent.

Key Features & Specifications:

- **Distinctive Design:** The sleek T-bar silhouette offers a modern take on a classic form, providing a comfortable grip and a visually appealing linear element to your cabinets and drawers.
- **Premium Antique Brass Finish:** Our specially applied antique brass finish is not only beautiful but also durable, offering a rich, warm tone that darkens gracefully over time, enhancing its authentic vintage appeal. This finish resists fingerprints and daily wear, maintaining its luster for years to come.
- **Optimal Dimensions for Versatility:**
 - **12mm Diameter (Dia):** The solid 12mm diameter bar provides a substantial feel and ensures durability.
 - **288mm Centre-to-Centre (c/c):** With a 288mm hole spacing, this pull is ideal for a wide range of standard cabinet doors and drawers, offering a noticeable and impactful presence.
 - **348mm Overall (o/a):** The generous 348mm overall length makes a statement, perfect for larger drawers, pantry doors, or as a striking feature on smaller units.

- **Robust Construction:** Crafted from high-grade materials, this T-bar pull is built to withstand the rigours of daily use, ensuring long-lasting performance and enduring beauty.

Easy Installation: Each pull comes supplied with all necessary fixing screws, allowing for a quick and hassle-free installation on new or existing cabinetry.

Transform Your Space:

Whether you're undertaking a complete kitchen renovation, updating a beloved piece of furniture, or simply seeking to refresh your current décor, our Antique Brass T-Bar Cabinet Pull offers an instant upgrade.
