

TECTUS 2D Adjustable Concealed Hinge 8-10mm Glass 160mm 80KG – SW107 Matt Black

Variant code: TEG310.2D.80.SW107

TECTUS 2D Adjustable Concealed Hinge 8-10mm
Glass 160mm 80KG – SW107 Matt Black

The Ultimate in Concealed Hinge Technology for Glass Doors

Introducing the TECTUS 2D Adjustable Concealed Hinge, a revolutionary solution for achieving a clean, minimalist aesthetic with glass doors. This high-performance hinge, finished in a stunning matt black (SW107), is engineered for seamless integration, making it the perfect choice for professional joiners, carpenters, architects, and discerning DIY enthusiasts alike.

Engineered for Professionals and Productive DIYers

Whether you're a seasoned professional or a skilled homeowner, this hinge is designed to meet your needs. Its robust construction and precision engineering ensure a flawless installation and long-lasting performance. The TECTUS SW107 is ideal for:

- **Architectural and Commercial Projects:** Create stunning, frameless glass doors for offices, retail spaces, and high-end residential properties.
- **Interior Design & Joinery:** Perfect for kitchen cabinets, display cases, and bespoke furniture where a seamless look is paramount.
- **DIY Home Improvement:** Elevate your home with modern, concealed glass doors on pantries, wardrobes, and room dividers.

Key Features and Benefits:

- **Concealed Design:** When the door is closed, the hinge is completely hidden, providing a clean, uninterrupted line that enhances the visual appeal of any space. This is a must-have for modern, minimalist designs.

- **2D Adjustability:** The hinge allows for precise 2-dimensional adjustments (lateral and depth), ensuring a perfect fit and easy alignment of the door. This saves valuable time during installation and guarantees a professional finish.
- **High Load Capacity:** With a maximum load capacity of 80KG, this hinge is capable of supporting heavy glass doors (8-10mm thick), offering superior strength and reliability.
- **Premium Matt Black Finish (SW107):** The sleek matt black finish adds a touch of sophistication and modernity. It is durable, resistant to scratches, and complements a wide range of design aesthetics.
- **Optimized for Glass:** Specifically designed for 8-10mm thick glass, this hinge provides a secure and stable mounting solution without the need for additional frames or supports.
- **Durable Construction:** Crafted from high-quality materials, the TECTUS SW107 is built to withstand the rigors of daily use, ensuring a long-lasting, reliable operation.
- **Easy Installation:** The hinge comes with clear instructions and is designed for a straightforward installation process, whether you're a professional or a DIY enthusiast.

Technical Specifications:

- **Hinge Type:** Concealed, 2D Adjustable
- **Load Capacity:** 80KG (for two hinges)
- **Glass Thickness:** 8-10mm
- **Overall Length:** 160mm
- **Finish:** Matt Black (SW107)
