

Unwashed Brass Butt Hinge – 100mm x 75mm – 20kg – Polished Chrome

Variant code: 1050.PCP

The **Premium Solid Brass Unwashed Butt Hinge** is a traditionally styled architectural hinge designed for **cabinets, lightweight flush doors and windows**. Measuring **100 x 75mm**, it combines substantial solid brass construction with a classic butt hinge format for suitable lightweight joinery applications.

The hinge incorporates a **brass pin** and has a manufacturer-specified **20kg load capacity**. Its substantial **4mm material thickness** and **11mm knuckle diameter** provide a robust construction while retaining the straightforward appearance of a traditional unwashed butt hinge.

Available in a **wide variety of architectural finishes**, this hinge can be coordinated with different door furniture and interior design schemes. Finish choices range from traditional brass and bronze effects to contemporary **chrome and nickel finishes**, while a **10-year performance guarantee** provides additional confidence in long-term performance.

Product Features

- **Premium solid brass unwashed butt hinge**
- Suitable for **cabinets, lightweight flush doors and windows**
- Overall dimensions of **100 x 75mm**
- Manufacturer-specified **20kg load capacity**
- Features a **brass pin**
- Substantial **4mm material thickness**
- **11mm knuckle diameter**
- Traditional **unwashed butt hinge design**
- Available in a **wide variety of finishes**
- Available for **right- and left-hand applications**
- Backed by a **10-year performance guarantee**

Product Benefits

- **Solid brass construction provides a substantial hinge solution for appropriately specified lightweight doors, windows and cabinetry**
- **100 x 75mm dimensions and 4mm material thickness provide a robust format for suitable lightweight joinery applications**
- **Extensive finish availability allows the hinge to coordinate with traditional, contemporary and decorative architectural hardware schemes**
- **Brass pin** complements the hinge's traditional solid brass construction
- Classic **unwashed design** provides a straightforward and traditional architectural appearance
- Suitable for **right- and left-hand applications**, providing flexibility across different installations
- **10-year performance guarantee** provides additional confidence in long-term hinge performance

Technical Characteristics

- **Product Type:** Unwashed Butt Hinge
- **Construction:** Solid Brass
- **Pin Material:** Brass
- **Overall Length:** 100mm
- **Overall Width:** 75mm
- **Material Thickness:** 4mm
- **Knuckle Diameter:** 11mm
- **Load Capacity:** 20kg
- **Handing:** Right & Left Hand
- **Finish:** Available in Various Finishes
- **Performance Guarantee:** 10 Years
- **Suitable For:** Cabinets, Lightweight Flush Doors & Windows

Applications

The **Premium Solid Brass Unwashed Butt Hinge** is designed for **cabinets, lightweight flush doors and windows** where a traditionally styled solid brass hinge is required. Its **100 x 75mm dimensions, 20kg load capacity**, 4mm material thickness and brass pin make it suitable for appropriately specified lightweight joinery applications. With a **wide selection of finishes available**, the hinge can be coordinated with a variety of architectural hardware and interior schemes.
