

Veosys Stainless Steel Hinge – 105° Soft Close – 14 – 22mm Door Thickness – Half Overlay

Variant code: 9289592

Veosys 105° Soft Close Stainless Steel Half Overlay Hinge for 14–22mm Doors

Experience superior durability, smooth operation, and whisper-quiet closing with the Veosys 105° Soft Close Stainless Steel Half Overlay Hinge. Engineered for modern cabinetry, this premium hinge is the ideal choice for doors with a thickness of 14mm to 22mm, offering a seamless half overlay application.

Key Features & Benefits:

- **Premium Stainless Steel Construction:** Crafted from high-grade stainless steel, this Veosys hinge offers exceptional resistance to corrosion, rust, and wear. Perfect for kitchens, bathrooms, and high-humidity environments, it ensures long-lasting performance and maintains its aesthetic appeal for years to come.
- **Integrated Soft Close Mechanism:** Say goodbye to slamming cabinet doors! The advanced integrated soft close damper gently and silently pulls the door shut, preventing damage to your cabinetry and creating a more peaceful living environment. This feature is built directly into the hinge, ensuring a clean and sleek look.
- **105° Opening Angle:** The generous 105-degree opening angle provides excellent access to your cabinet contents, making it easy to retrieve and store items.
- **Versatile 14–22mm Door Thickness Compatibility:** Designed to accommodate a wide range of common door thicknesses, from slender 14mm panels to more robust 22mm doors, offering flexibility for various cabinet designs and materials.
- **Half Overlay Application:** This hinge is specifically designed for half overlay doors, where the door partially covers the cabinet frame when closed. This creates a neat and consistent appearance across

your cabinetry.

- **Effortless Installation:** Featuring a user-friendly design, the Veosys hinge allows for straightforward installation, whether you're a professional fitter or a DIY enthusiast. (Screws not included, sold separately).
- **Enhanced Durability & Reliability:** Built to the highest standards, Veosys hinges are rigorously tested to ensure consistent performance and reliability, even with frequent use.
- **Sleek & Modern Aesthetic:** The clean lines and polished finish of the stainless steel add a touch of modern elegance to any cabinet, complementing a wide range of interior styles.

Ideal For:

- **Kitchen Cabinets:** Upgrade your kitchen with quiet closing doors and durable hinges that stand up to daily use.
- **Bathroom Vanities:** Perfect for moisture-prone areas thanks to its stainless steel construction.
- **Wardrobes & Closets:** Enhance the functionality and longevity of your wardrobe doors.
- **Furniture Projects:** An excellent choice for custom furniture builds requiring reliable and aesthetically pleasing hinges.
- **Commercial Applications:** Suitable for light commercial use where durability and quiet operation are important.
