Westbourne Mortice Knob Sets: Uplift Your Home with Timeless Elegance

Transform your interiors with the exquisite **Westbourne Mortice Knob Sets**, a perfect blend of classic design and enduring quality. Crafted from **solid brass** and part of the esteemed Burlington Range by Frelan Hardware, these **luxury door knobs** are designed to add a touch of sophisticated charm to any residential or commercial space.

Key Features & Benefits for Discerning Homeowners & Designers:

- **Premium Quality Solid Brass Construction:** Experience unparalleled durability and a satisfying weighty feel with every touch. Built to last, these **high-quality door knobs** offer long-term performance and aesthetic appeal.
- **Unique Knurled Edge Detailing:** The smooth circular face of the knob is beautifully complemented by an intricate **knurled edge**, providing a distinctive texture and a visually captivating design that sets these knobs apart.
- **Luxurious Finish Options:** Available in a stunning array of finishes, including **Antique Brass, Dark Bronze, Polished Nickel, Satin Brass, Matt Black, and Satin Nickel**. Find the perfect match to complement your existing **interior design** and **door hardware**.
- **Versatile Mortice Knob Design:** Designed for use with **mortice locks** and **latches**, these knob sets are ideal for internal doors throughout your home. Create a cohesive and elegant look across all your rooms.
- **Fire-Rated for Peace of Mind:** Many Westbourne Mortice Knob Sets are **FD30/60 fire-rated**, offering enhanced safety and compliance for your property. (Please check specific product details for fire rating confirmation).
- **Easy Installation:** Supplied as a **pair with spindle and all necessary fixings**,

making installation straightforward for professionals and DIY enthusiasts alike. We recommend using a suitable **tubular latch** or **mortice lock** with an appropriate backset for optimal functionality.

- **Part of the Burlington Range:** Seamlessly coordinate your **door furniture** with matching accessories from the comprehensive Burlington range, including **escutcheons** and **turn & release sets**, for a truly harmonious aesthetic.
- **Enhance Home Aesthetics:** These **designer door knobs** are more than just functional hardware; they are a statement piece that elevates the overall look and feel of your doors, adding a **luxurious finish** and **timeless elegance**.

Upgrade your home with the distinguished beauty and superior craftsmanship of **Westbourne Mortice Knob Sets**. Explore our range today and discover the perfect touch of sophistication for your doors.
