

Pear Shaped Door Knocker – Pewter

Variant code: 33611

Our extensive selection of door knockers suit a variety of doors from timber, composite, upvc and aluminium offering both traditional and contemporary designs. This pear door knocker shows a true masterpiece of forging. Drawn from one piece of mild steel bar and bent to form the twisted pear shape, this highlights every hammer blow by our highly skilled blacksmiths.

- Surface fixed to the front of your door.
- Supplied with matching SS wood screws.

Property	Value
