

Plain Bearing Flush Hinges 75mm x 50mm – Solid Brass – Antique Brass – Pair

Variant code: KU0755.AB

Brass flush hinges enable quick and easy installation of light internal doors or cabinets as they require no cutting into the door or frame. Manufactured from high quality extruded brass with brass pins to guarantee a rust free long lasting finish.

These flush hinges feature a brass bearing to prevent knuckle wear and provide a lifetime of silent, smooth door operation. They are a popular choice for quality joinery projects with lay over timber.
