

Polished Brass Postal Letter Plate

Variant code: 83544

Our traditional letterplates & covers are an attractive option for numerous door types. For more traditional doors we have a separate system where the letterplate is fitted to the external side of the door and a letterplate cover is fitted to the internal side to reduce drafts.

A classic design that takes its inspiration from the victorian era.

Also incorporates a traditional style knocker

- Maximum door thickness: 60mm.
- Supplied with matching 70mm threaded bolts with dome headed caps.

Made from solid unlacquered brass, this finish is both classic and simplistic and offers great possibilities for stately and period dwellings alike, particularly where a very traditional look is desired. When fully polished this finish has a depth of reflection. However, as the product is unlacquered this can also be left to age naturally, which over time will create a beautifully historic finish.

Property	Value
Finish	Polished Brass
Depth (mm)	6
Width (mm)	115
Range	Knocker
Overall Length (mm)	300
