

Premium Invisi Sockets for Round Wardrobe Rail – 32mm Diameter Ø – Venetian Brass

Variant code: WBIR32010VB

Tired of unsightly wardrobe rail supports? Elevate your wardrobe's aesthetics with our Premium Invisi Sockets, meticulously designed for 32mm diameter round wardrobe rails. Achieve a seamless, minimalist look that transforms your closet from functional to truly refined.

Our innovative Invisi Sockets are the ultimate solution for anyone seeking a clean, uncluttered wardrobe interior. Unlike traditional, visible rail brackets, these cleverly engineered sockets are designed to be virtually invisible once installed, creating the illusion of a floating wardrobe rail. Perfect for modern interiors, bespoke cabinetry, and high-end wardrobe designs where every detail matters.

Key Features & Benefits:

- **Invisible Design:** The primary appeal! Once fitted, these sockets are discreetly hidden within your wardrobe panels or shelves, providing an exceptionally clean and contemporary finish. Say goodbye to obtrusive brackets and hello to streamlined elegance.
- **Precision Engineered for 32mm Ø Round Rails:** Specifically crafted to fit standard 32mm diameter (Ø) round wardrobe rails, ensuring a secure, snug, and wobble-free installation. This precise fit guarantees optimal performance and longevity.
- **Premium Quality Construction:** Manufactured from high-grade, durable materials, our Invisi Sockets are built to last. They offer exceptional strength and stability, capable of supporting significant weight without compromising on their hidden design. Rust-resistant and long-lasting, these sockets provide reliable support for years to come.
- **Enhanced Aesthetic Appeal:** Ideal for showcasing beautiful wardrobe interiors,

designer clothing, or simply achieving a more sophisticated and custom-built look. These sockets allow your wardrobe rail to appear effortlessly suspended, enhancing the overall appeal of your closet space.

- **Easy & Secure Installation:** While designed for a hidden fit, our Invisi Sockets are engineered for straightforward installation by both DIY enthusiasts and professional fitters. Each socket provides a secure anchor point, ensuring your wardrobe rail remains firmly in place. (Please note: Specific installation instructions will be provided with the product.)
- **Versatile Application:** Perfect for walk-in wardrobes, fitted closets, open shelving units, bespoke furniture projects, and commercial displays where a clean, high-end finish is desired.
