

Premium Solid Brass Open Centre Bracket – 25mm Diameter Ø – Aztec Bronze Dark

Variant code: WBR25045AB

Premium Solid Brass Open Centre Bracket – 25mm Diameter Ø

Improve your joinery and carpentry projects with our **Premium Solid Brass Open Centre Bracket**. This bracket, meticulously crafted from a single piece of high-grade brass, is designed for professionals who demand both **durability** and **aesthetic excellence**. The **25mm diameter open centre** is perfect for supporting a variety of round components, including **curtain rods, handrails, wardrobe rails, and dowels**, offering a clean, minimalist look.

Robust Solid Brass Construction: Forged from **solid brass**, this bracket provides superior strength and longevity. It's **corrosion-resistant** and built to withstand the rigors of heavy use in both commercial and residential settings. The natural brass finish can be polished to a brilliant shine or allowed to develop a unique patina over time, adding character to any installation.

Versatile Open Centre Design: The **open centre** allows for easy installation and removal of pipes, rails, or rods without having to dismantle the entire structure. This feature is a game-changer for **efficient repairs and maintenance**, saving valuable time on the job site. The **25mm diameter** is a standard size, ensuring compatibility with a wide range of common materials.

Sleek, Professional Finish: The bracket's sleek design and smooth edges provide a professional, high-end finish that will impress clients. Whether you're working on a bespoke furniture piece, a custom kitchen installation, or a high-end commercial fit-out, this bracket adds a touch of sophistication. It's an ideal choice for **architectural hardware, bespoke joinery, and luxury interiors**.
