

Premium Solid Drawn Brass Butt Hinge 38mm x 22.2mm – Polished Brass

Variant code: 0920.PB

The **Premium Solid Drawn Brass Butt Hinge** is a compact, traditionally styled hinge designed for **cabinets and lightweight flush doors and windows**. Measuring **38 x 22.2mm**, it provides a practical hinge solution for furniture, cabinetry and lightweight architectural joinery where a neat appearance and quality brass construction are required.

The hinge incorporates a **brass pin** and features a **4mm knuckle diameter** with a substantial **1.9mm material thickness**. Its compact proportions make it particularly well suited to smaller-scale furniture and joinery applications where larger architectural hinges would be unsuitable.

Available in a **wide selection of finishes**, the hinge can be coordinated with traditional, period-inspired or contemporary furniture and interior hardware. It is suitable for **right- and left-hand applications** and is backed by a **10-year performance guarantee** for additional confidence when used in appropriate lightweight installations.

Product Features

- **Premium brass butt hinge** for furniture and lightweight joinery
- Suitable for **cabinets and lightweight flush doors and windows**
- Compact **38 x 22.2mm** dimensions
- Features a **brass pin**
- **4mm knuckle diameter**
- **1.9mm material thickness**
- Suitable for **right- and left-hand applications**
- Backed by a **10-year performance guarantee**
- Available in a **wide selection of decorative finishes**
- Suitable for traditional and contemporary **cabinetry, furniture and lightweight joinery**

Product Benefits

- **Compact dimensions make the hinge ideal for cabinets, furniture and other lightweight joinery applications**
- **Brass pin construction provides a traditional hinge arrangement for appropriate lightweight doors and windows**
- **10-year performance guarantee provides additional confidence in long-term performance**
- **Suitable for both right- and left-hand installations for greater fitting flexibility**
- **1.9mm material thickness** provides a substantial construction within the hinge's compact format
- A broad selection of finishes allows the hinge to be **coordinated with furniture, cabinetry and other architectural hardware**
- Versatile design makes it suitable for **cabinets, lightweight flush doors and windows**

Technical Characteristics

- **Product Type:** Butt Hinge
