Premium Solid Drawn Brass Butt Hinge 63.5 x 35.3mm Button Tip - Imitation Bronze Metal Antique

Variant code: 0960.BTIP.IBMA

The **Premium Solid Drawn Brass Butt Hinge** is a traditionally styled architectural hinge suitable for **cabinets and lightweight flush doors and windows**. Measuring **63.5 x 35.3mm** and specified in an attractive **Imitation Bronze** finish, it provides a refined hardware solution for furniture, cabinetry and lightweight interior joinery.

Featuring a **brass pin**, **5.5mm knuckle diameter** and substantial **2mm material thickness**, the hinge combines compact proportions with dependable construction for appropriate lightweight applications. Its decorative **Button Tip styling** complements the warm character of the Imitation Bronze finish, making it particularly suited to traditional and period-inspired interiors.

The hinge is suitable for both **right- and left-hand applications**, providing flexibility across different furniture and joinery configurations. A manufacturer-backed **10-year performance guarantee** provides additional confidence, while the availability of multiple finishes makes this hinge range suitable for coordinating with a variety of interior hardware and design schemes.
