

Premium Solid Drawn Brass Butt Hinge inc Urn Finial & Slotted Screws 75 x 42mm – Self Colour

Variant code: 0970.URN.SC

The **0970 Premium Solid Drawn Brass Butt Hinge** is a high-quality architectural hinge designed for **cabinets, lightweight flush doors and windows**. Measuring **75 x 42mm**, the hinge combines traditional solid brass construction with an attractive **urn finial**, making it particularly suitable for furniture and joinery where both reliable operation and a decorative appearance are required.

Manufactured from **solid drawn brass**, the 0970 features a durable **brass pin** for smooth and dependable operation. The traditional butt hinge design provides a neat installation on suitable lightweight doors, cabinet doors and window applications, while the decorative urn finial adds a distinctive finishing detail to traditional and premium joinery.

Supplied with **matching slotted screws** for a coordinated installation, the hinge is available in **various finishes** to complement different furniture and architectural hardware schemes. Backed by a **10-year performance guarantee**, the 0970 provides a dependable combination of **traditional styling, solid brass construction and long-term performance**.
