**Variant code: 83855**

Our prestbury mortice/rim knob sets take inspiration from a classic Georgian design and are available in two sizes.

Our prestbury knob set is forged from solid brass which emphasises the high quality materials and manufacturing techniques used. A perfect design choice to use throughout your property with many other matching products available.

Designed to match our prestbury cabinet knobs to create a uniform feeling throughout your home.

Can be used with a multitude of heavy duty locks, latches & thumbturns for various uses  
The strength of the spring found in a heavy-duty lock/latch will ensure the knob returns to it's original position.
