

LED SLIM SQUARE RECESS/EDEN End Bracket (Pack of 2)

Variant code: LLP19090GY

LED Slim Square Recess / Eden End Bracket (Pack of 2) – Black: Sleek, Secure, and Stylish Lighting Installation

Transform your LED strip lighting installations with our premium LED Slim Square Recess / Eden End Bracket (Pack of 2) in a sophisticated matte black finish. Designed for both recessed and surface-mounted applications, these versatile end brackets offer a clean, professional, and secure solution for your LED profiles, ensuring a flawless aesthetic and long-lasting performance.

Key Features & Benefits:

- **Dual Functionality:** Uniquely engineered to serve as both a "Slim Square Recess" bracket for discreet, flush installations and an "Eden End Bracket" for elegant, visible end-caps on surface-mounted LED profiles. This dual-purpose design provides maximum flexibility for your lighting projects.
- **Sleek & Modern Aesthetics:** The contemporary square design and deep matte black finish seamlessly integrate with a wide range of interior styles, from minimalist and modern to industrial and classic. Elevate the look of your LED strip lighting with a professional and polished touch.
- **Durable & High-Quality Construction:** Crafted from robust materials, these brackets are built to last. The black finish is resistant to scratching, fading, and corrosion, ensuring your installation maintains its pristine appearance over time, even in high-traffic areas.
- **Secure & Stable Mounting:** Provides a firm and reliable anchor for your LED profiles, preventing sagging, twisting, or accidental dislodgement. Ensure your LED lighting remains perfectly straight and secure for optimal illumination.
- **Easy Installation:** Designed for quick and straightforward installation, saving you

time and effort. Compatible with common LED profile dimensions (please refer to specifications for exact compatibility). Mounting screws are typically included or easily sourced.

- **Pack of 2:** Each purchase includes two brackets, offering excellent value and convenience for completing a single LED profile run or for use in multiple smaller projects.
- **Optimised for SEO:**
 - **Keywords:** LED brackets, LED profile end caps, recessed LED lighting, surface-mounted LED, black LED bracket, slim LED bracket, square LED bracket, Eden end bracket, LED strip accessories, LED installation, lighting components, modern lighting, professional lighting, durable LED parts, home lighting, commercial lighting.
 - **Long-tail Keywords:** Black slim square LED recess bracket pack of 2, Eden end bracket for LED profiles, how to install recessed LED strip lighting, secure LED profile mounting brackets, matte black LED accessories, stylish LED lighting solutions.

Applications:

These versatile LED Slim Square Recess / Eden End Brackets are ideal for a multitude of lighting applications, including:
