

Raised Bookcase Strip – Bronze Anodised

Variant code: 7472.BRZ

Simplicity of installation and the ease with which shelf heights and the quantity of shelves per bay can be adjusted make this system a very popular solution to shelving problems, suitable for everyone from DIY enthusiasts, shopfitters, to joinery companies and furniture manufacturers. Ideal for small projects such as improving storage facilities in the home, right up to main library and chain store multiple bay shelving installations. Commonly called "Top Hat" section because of its raised centre section, this strip is specifically designed for surface fitting. Its low profile and fewer fixing holes per length make it an attractive and lower cost alternative to the traditional inlaid strip design. The wide flanges also allow other fitting methods such as spot welding to be utilised, making the design suitable for installation within steel cabinets.

Note: When using surface mounted raised bookcase strip, shelves must be a minimum of 7mm shorter overall than the internal width of the cabinet. The standard stock length is 1829mm (6ft).
