

Rectangular Flush Pull – 102mm x 45mm – Polished Chrome

Variant code: FB90.CP

The **Rectangular Flush Pull** is a stylish recessed pull handle designed for sliding, pocket and wardrobe doors where a flush-fitting solution is required. Measuring **102 x 45mm** with a **10mm recessed depth**, it provides a comfortable grip while maintaining a sleek, unobtrusive appearance. Finished in **Polished Chrome (PC)**, it delivers a bright, contemporary look that complements modern interiors and architectural hardware.

Manufactured from high-quality metal, this flush pull offers excellent durability and reliable everyday performance. Its recessed design sits neatly within the door surface, reducing projections and making it ideal for sliding door systems where space is limited. The polished chrome finish is resistant to everyday wear and easy to maintain, making it suitable for both residential and commercial applications.

Perfect for new installations and refurbishment projects, the Rectangular Flush Pull combines elegant styling with dependable functionality, providing a practical and attractive solution for contemporary sliding door systems.
