

Reeded Lever Bathroom Set – Polished Nickel

Variant code: 33326

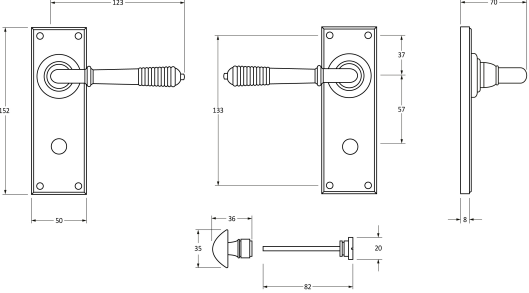

The reeded set is part of the period range of sprung lever handles. A classic regency lever with a stylish reeded end that will suit both traditional and contemporary settings.

Our weighty reeded lever handle range is forged from solid brass. The reeded part of the handle highlights all of the hand finishing that is carried out in our factory. A perfect design choice to use throughout your property with many other matching products available.

- This handle has a strong spring incorporated into the stylish boss design to give both functionality & elegance.
- Lever handle for internal doors where privacy is required.
- Set includes 2 lever bathroom handles and coin and release thumbturn.
- Can be used with a bathroom mortice lock.
- Supplied with matching SS wood screws.

Gallery

Technical drawing of a reeded lever bathroom set. The drawing includes three views: a front view, a side view, and a detail view of the handle. Dimensions are provided for each view. The front view shows a rectangular plate with a width of 123mm and a height of 152mm. The side view shows a plate with a width of 133mm and a height of 57mm. The detail view shows a handle with a width of 36mm and a height of 35mm. The handle is attached to the plate with a screw. The plate is made of brass and has a reeded finish. The handle is made of stainless steel and has a reeded finish. The set includes 2 handles, 1 thumbturn, 1 split spindle (8mm x 95mm), 1 split spindle (8mm x 125mm), 1 steel allen key, and 8 fixing screws.

Please Note, due to the hand crafted nature of our products all measurements are approximate and should be used as a guide only.
