

## Reeded Slimline Lever Espag. Lock Set – Polished Nickel

**Variant code: 33316**

The reeded set is part of the period range of sprung lever handles. A classic regency lever with a stylish reeded end that will suit both traditional and contemporary settings. Weighty reeded lever handle range is forged from solid brass with the reeded part of the handle highlighting all of the hand finishing that is carried out in our factory.

- A perfect design choice to use throughout your property with many other matching products available.
- This handle has a strong double spring incorporated into the stylish boss design to give both functionality & elegance.
- Lever handle for external doors where multi-point locking is required.
- Set includes an internal and external lever espag lock handle.
- Can be used with a multi-point lock or french door kit in conjunction with a euro cylinder.
- Supplied with matching SS bolt through fixings.
