Replacement Male/Female Bolts & Sleeves - 5mm - Pair - Black

Variant code: 33119S

Replacement male/female bolts and sleeves. Female end has no slot for added security.

- Supplied as a pair.
- See the technical drawing of any product to see if these screws are suitable for what you need.

Our black finish is a popular choice in traditional settings, it has a subtle sheen and offers a bold contrast on both stained and painted timber alike. It is baked in a high-temperature oven giving it durable corrosion resistant properties.
