

Rim Cylinder KA – Polished Brass

Variant code: 91119

Our rim cylinders will match the rest of our black door furniture to help create a uniform look to the front facade of your door.

Can be used as a replacement for the brass cylinders that come supplied with our night latches.

Product is supplied with 2 keys and fixing bolts.

Product is 'Keyed Alike' – more than one rim cylinder can be operated with the same key.
