

Rim Lock & Cast Iron Cover – Black

Variant code: 33299

Rim locks are fitted to the surface of the door rather than being morticed in, along with a surface mounted keep that should be fitted to the door frame.

- Contains a 1 lever rim lock which is not insurance rated, use in conjunction with a british standard deadlock to comply with insurance regulations.
- Product is reversible so can be used on either the left or right hand side of your door.
- All our rim locks are KA.
- Supplied with matching SS wood screws.
