

Ringed Mortice/Rim Knob Set – Rosewood

Variant code: 83562

Our ringed mortice/rim knob set is manufactured from solid timber and is similar in design to our popular beehive collection.

Can be matched with our beehive escutcheon if a locking door is desired.

Can be used with a multitude of heavy duty locks, latches & thumbturns for various uses within the home.

- The strength of the spring found in a heavy-duty lock/latch will ensure the knob returns to it's original position.
- We recommend using a 3", 4" or 5" latch/lock.
- Supplied with matching SS wood screws.

Made from high quality rosewood timber and waxed to enhance and protect its rich red hue and characterful veining. A popular choice in traditional properties where it is often used to complement rim locks. When paired with brass it accentuates the traditional look and when used with nickel or chrome it creates a more contemporary feel.
