

Round Euro Plain Escutcheon – Polished Chrome

Variant code: 45711

Our vast range of escutcheons are designed as a finishing touch for all locking doors and are used to decorate key holes.

This concealed escutcheon features a simple plain cover which matches a number of other products and adds a contemporary edge to a traditional looking product.

Our escutcheons complement all of our mortice knob and lever on rose designs.

- This escutcheon is used with a euro profile lock in conjunction with a euro cylinder.
- Supplied with matching SS wood screws.

Property	Value
Finish	Polished Chrome
Depth (mm)	8
Width (mm)	53
Range	Concealed

Gallery

Technical drawing of a round euro escutcheon. The front view shows a circular escutcheon with a keyhole cutout. The top view shows a circular base with a central hole. The side view shows a rectangular profile with a thickness of 8mm. A dimension line indicates a diameter of 53mm.

Please Note, due to the hand crafted nature of our products all measurements are approximate and should be used as a guide only.
