

## Round Euro Plain Escutcheon – Matt Black

**Variant code: 49540**

Our vast range of escutcheons are designed as a finishing touch for all locking doors and are used to decorate key holes.

This concealed escutcheon features a simple plain cover which matches a number of other products and adds a contemporary edge to a traditional looking product.

Our escutcheons complement all of our mortice knob and lever on rose designs.

- This escutcheon is used with a euro profile lock in conjunction with a euro cylinder.
- Supplied with matching SS wood screws.

Property	Value
