

Round Plain Escutcheon – Matt Black

Variant code: 49536

Our vast range of escutcheons are designed as a finishing touch for all locking doors and are used to decorate key holes.

This concealed escutcheon features a simple plain cover which matches a number of other products and adds a contemporary edge to a traditional looking product.

Our escutcheons complement all of our mortice knob and lever on rose designs.

This escutcheon uses a standard key hole so can be used with a multitude of locks.

Supplied with matching SS wood screws.
