

Salice Exedra Pocket Hinge & Slide System – 2300mm x 650mm – Left Hand

Variant code: EXEDRA.LH.2300.650

Exedra refines and improves the deceleration concept to give a smooth, fluent, uniform and noiseless movement, regardless of the speed of door insertion.

It can be used in a host of applications – from larder units for kitchens, in living rooms for media or library units; in bedroom wardrobes and in office storage applications.

Features

- Max. weight: 30 kg
- Thickness from 18 mm to 30 mm
- Width from 400 mm to 900 mm
- Height from 1333 mm to 2530 mm
