

Sash Window Stop – Polished Brass

Variant code: WF18.PB

The Silent Guardian: Our matt black sash window stop – robust security with a sophisticated touch

Secure your home and enjoy controlled ventilation with our robust and stylish **Sash Window Stop** in a sophisticated **matt black** finish. This essential hardware piece provides a simple yet effective solution for limiting the opening of your **sash windows**, offering peace of mind for families with children and pets, while also allowing for secure airflow.

Crafted from high-quality, durable materials, this **window stop** is built to withstand daily use and resist wear and tear. The sleek **matt black** powder coating not only provides a contemporary and understated aesthetic that complements a wide range of window styles and interior décor but also offers excellent corrosion resistance, ensuring long-lasting performance.

Installation is straightforward, requiring minimal tools and effort. The **sash stop** securely fastens to your **window frame** and **sash**, creating a reliable barrier that prevents the window from being opened beyond a predetermined point. This feature is invaluable for child safety, preventing accidental falls, and for pet safety, keeping your furry friends securely indoors.

Beyond security, this **sash window lock** allows you to maintain controlled ventilation in your home. By limiting the window's opening, you can enjoy fresh air without compromising security. This is particularly useful during warmer months or when you desire a gentle breeze without fully opening your windows.

Key Features:

- **Secure Window Restrictor:** Limits the opening of **sash windows** for enhanced security.
