THAMES Aluminium Light Profile - 24V - White Diffuser - Warm White inc JB Input - 10.8W 600mm

Variant code: LTP02300AWWW.0600

THAMES Aluminium Light Profile - 24V - White Diffuser - Warm White inc JB Input - 27W 1500mm

Elevate your space with sleek, modern lighting. This versatile aluminium light profile is designed to seamlessly integrate into any interior, offering a clean and contemporary aesthetic.

Key Features:

24V Compatibility: Ensures safe and efficient operation.

White Diffuser: Provides a soft, even light distribution, ideal for creating a warm and inviting ambiance.

Warm White: Offers a balanced colour temperature, perfect for both residential and commercial settings.

JB Input: Facilitates easy installation and connection to your existing electrical system.

Applications:

Accent Lighting: Highlight architectural features, artwork, or display cases.

Task Lighting: Illuminate workspaces, reading nooks, or kitchen countertops.

Ambient Lighting: Create a soothing and relaxing atmosphere in living rooms, bedrooms, or hallways.

Benefits:

Sleek Design: The minimalist profile blends seamlessly with various interior styles.

Energy Efficiency: LED technology reduces
