

Shell Pull Handle – 5" – Natural Smooth

Variant code: 83533

The shell pull handle is part of the blacksmith range of pull handles.

Designed to match our shell drawer pull to create a uniform feeling throughout your home.

Available in two different sizes.

Sold in singles.

Supplied with SS M4 screws.

Our natural smooth products are made from a natural cast iron and finished with a clear matt lacquer. This produces a beautifully smooth look and offers a simplistic charm with versatile attributes, making it suitable for both traditional and contemporary settings.

Property	Value
Finish	Natural Smooth
Depth (mm)	28
Width (mm)	18
Range	Shell
Overall Length (mm)	141

Gallery

Technical drawing of a 5" Shell Pull Handle. The drawing shows two views: a top view and a side view. The top view is a semi-circular arc with a width of 120mm and a depth of 28mm. The side view is a rectangular shape with a width of 141mm and a height of 18mm.

Please Note, due to the hand crafted nature of our products all measurements are approximate and should be used as a guide only.
